

Dear Family and Friends!

We are checking in with you to celebrate! We remain COVID-19 free and we remain vigilant!
Also, we are sharing our news of upcoming events.

As you may know, our Mother's Day Event is this Saturday and Sunday. We hope this is a time for relaxed sharing in the midst of social distancing. By God's grace, we know it will be fun!

Our Holy Father, Pope Francis has said, "Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. -Amen."

Our next celebration is National Nurses Week from May 6th to May 12th. Our "HERO NURSES" have been giving over 100% during the pandemic. We will acknowledge their dedication by giving beautiful corsages and other surprises. Please offer your protective prayers for each and every one of them. The Home is truly blessed because they care so deeply about the Residents.

Lastly, we will be marking National Nursing Home Week from May 10-16. During times like this, it's important to touch each of our Staff, irrespective of their position, and let them know they are vital to the Little Sisters' ministry of "Making the Residents Happy!"
Their contributions manifest Saint Jeanne Jugan's Spirit to our Residents.

During this Month of Mary, please be assured of our daily prayers for your safety; and for the future day when we may not have to be so far apart. God bless you all!
