Dear Family and Friends,

Our Friday update is a resounding song of joy! St. Joseph's Home remains COVID-19 free!!

Last weekend we celebrated with you and the Mothers of the Home. Hope you felt as we did, that it was a big success. Please see our blog written by Sr. Mary John, our Assistant Administrator, for exciting photos and details of the visiting day! So happy to see so many of you enjoying your families if even for such a brief time.

The Nursing Home Facility guidance we are closely monitoring has suggested that we can cautiously have Mass participation offered to our Residents. We will follow the strict recommendations for social distancing based on the size of our chapel to space each Resident according to the guidelines. Two Masses will be held on Sunday and on weekdays one per day to spread out the participation.

We know that Our Lord has His hand on us all and we are grateful yet again for another week COVID-19 free. Please keep up your prayers as we pray for you.

God bless you all!

Mother Jeanne Mary and

Debbie Davidson, RN, NHA
