Dear Family and Friends,

We are happy to report a good week here at the Little Sisters of the Poor. No other Residents have been affected by the pandemic.

We celebrated the feast day of Mother Provincial Loraine Marie Clare, enjoyed delicious donuts, made butter yesterday and shook things up a bit with our hallway “oldies” music therapy! It is so wonderful to see the Residents smile, sing, dance or just wiggle a little. The joy on their faces is what frequently sustains all of us as we continue caring for your loved ones even with some obvious pandemic fatigue. They truly keep us going!

We are continuing to offer opportunities for window visits by appointment, with scheduling by the Social Worker and the Activities Department. Please contact them through our main number if you wish to set something up.

Please continue to pray for us, as we continue to pray daily for you!

Most sincerely in Christ,

Mother Jeanne Mary
